Newsletter No. 215

Welcome to another newsletter,

The cold and dry both continue their impact. Winter with shorter days is nearly with us. No real forecast of any measurable rain events are immediate. We have been lucky with the mice numbers so far being below plague proportions. The cold weather and frosts will have impact on their numbers but we all need to continue their eradication before the warmer months..

For all residents of NSW a reminder that on Saturday 4th of September this year we are all off to the ballot box to vote for the local Government elections. Your councillor's for the next 3 year term for your local Government area; Berrigan Shire, Murrumbidgee Shire, Federation Council, and Murray River Council.

Exciting news for Berrigan Shire is the appointment of Ms Karina Ewer from Streaky Bay South Australia as the new Chief Executive Officer. Currently Karina will commence in her new role from 28th June 2021 and I am confident that everyone will welcome Karina and her husband to the Region.

At Dawmac we are cleaning up and clearing out old stock from our power equipment section. Mowers, brushcutters, generators – all brand new, never been used, all old stock that is superseded. Sale will end on 30th June 2021 – First in best dressed – All well below cost.

Until next time stay healthy and enjoy.

***Cheers and Good Health**—John P Lane (Managing Director)*
