Newsletter No. 157

Hello to everyone,

2016 has been one big Autumn season. With the shortest day of the year one month away and winter one week away the mildness of the weather has been incredible. The rain has been close to perfect - crop germination has been fantastic with crops jumping out of the ground. I know at home my winter vegetables have had the best start that I have experienced. They look wonderful, in excellent condition especially with the lack of pests around currently.

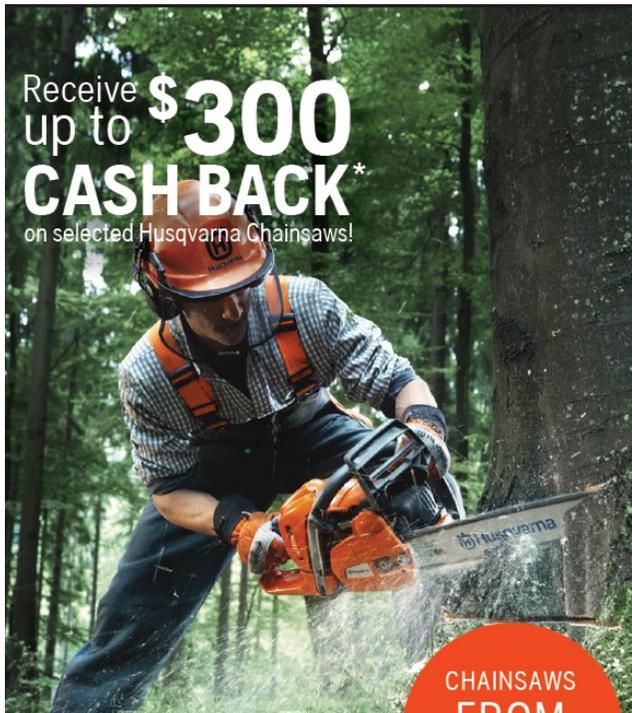

On a sad note, Dawmac announces the departure of our chief auto electrician, Jack Kimpton. For those that did not know, Jack is a Albury area boy and came to us from Hogan's Auto Electrical in Wodonga. With the birth of his first daughter, he along with Luci, his partner, have made the decision to relocate back closer to both families in the Albury area. Jack will be missed here at Dawmac and around the sporting community of Berrigan. We wish Jack and his family every success and good fortune into the future and thank him very much for his time and efforts here at Dawmac.

We have commenced the process of finding a successor for Jack. In the interim Harley Middleton along with Grant will keep the department ticking over. We also have the resources of Michael Dalitz who these days concentrates on the Goldacres sprayer department alongside Craig Litchfield.

Plenty happening - the end of another financial year approaches along with Australia's 43rd federal election since federation on Saturday 2nd July 2016.

Cheers and good health

John P Lane
Managing Director

- ◆ **Murrumbidgee Council:** The merger of Jerilderie Shire and Murrumbidgee Shire councils

For further information on new councils both proceeding and pending visit www.strongercouncils.nsw.gov.au

Refund for recycling bottles gets the go-ahead in NSW

A 10c refund for eligible drink containers will be in place by July 2017 to help reduce litter across Australia. The refund is part of the NSW Government's new Container Deposit Scheme (CDS), which will make a major contribution to achieving one of the Premier's priorities of reducing litter by 40% by 2020.

The scheme includes:

- A 10c refund for anyone who returns an eligible container.
- Collection depots will range from large-scale depots through to standalone reverse vending machines and pop-up sites.
- Funding of the 10c refund as well as the associated handling and administration fees will be provided by beverage supplier.

The financial incentive will encourage people and to recycle their drink containers and help volunteers gain extra funds through recycling.

BERRIGAN RED CROSS

The Berrigan Red Cross branch is a very active organisation in our community. Volunteers are crucial to assist in raising funds to support the needs of people. The branch has assisted with providing materials to the Girls Day Out project, and supplied the Berrigan Children's Centre with spare clothing for emergency use, they send clothing away to other areas and support families in the event of a fire or natural disaster. The Berrigan branch also has requests for food parcels from families for emergency relief that is supported by parcels through Moira Food Share.

Saturday 21st May, a local member, Andrew Horne, will be the Guest Speaker at the Red Cross Zone 29 Conference in Jerilderie. He will be speaking about his overseas trip as a recipient of Red Cross's Persia Porta Scholarship. Sunday 22nd May, he will present the Red Cross Address at the Berrigan Red Cross Church Service to mark the 2016 World Red Cross Day in the Catholic Church at 10.30am. Everyone is welcome to attend.

The Red Cross Shop, located in Chanter St, raises the majority of funds for the Berrigan branch to ensure the Red Cross is able to continue to do their humanitarian work. The Berrigan Red Cross Shop is constantly looking for volunteers to help. This is a wonderful community asset & service that has been open since 1969. If you could spare an hour or two to help out please call in to the shop & give your details. Many hands make light work.

Donations for national appeals are taken at the shop, providing receipts as donations over \$2 are tax deductible .

The Red Cross Shop has reduced their opening hours over Winter. Changes for June July and August are as follows:

Tuesday—Friday 10am to 1pm
Saturday—10am to 12 noon

2nd-hand Chainsaws

We currently have three 2nd-hand chainsaws available.

- 1 x Husqvarna 365 with a 20" bar
- 1 x Stihl MS391 with a 20" bar
- 1 x Husqvarna 450 with an 18" bar

If you would like to purchase one of the above or would like more information please contact Grant in the workshop

CANCER COUNCIL LUNCHEON

It's time again for the Annual Cancer Council Luncheon

**Friday the 27th of May starting at 11:30am.
Berrigan War Memorial Hall Supper Room.
3 course meal available
both eat in or take-away
\$20 per person
Pre-ordered & take away meals please phone
03 5885 2788 by Thursday May 26th**

There is also a Cancer Council Raffle which will be drawn at the Luncheon on 27th May 2016.

For all enquires please phone Maria at Woody Motors on 0358852788.

The Cancer Council is Australia's leading organisation in raising funds towards cancer research. With the support of local communities around Australia, by holding events such as these, they are able to raise money to fund research, prevention and support services for those affected by cancer.

MOSAIC ADDITIONS TO BERRIGAN

Berrigan Red Cross is proud to have partnered with Janice Graham, Year 5 & 6 from both St Columba's & Berrigan Public Schools and the South West Arts Council to present the Berrigan Community with 5 beautiful Mosaics, depicting 100 Years of Anzac & 100 Years of Red Cross . Thank you to the Berrigan Shire Council for mounting & framing 3 on their Shire Wall in Chanter Street.

Anzac Day saw the remaining 2 Mosaics at the RSL Rooms go on display. They all look amazing. Thank you to all involved.

It is well worth a visit to Berrigan to view them.
