Newsletter No.170

Hello to Everyone,

Great to see a drop of rain. We are all hoping for a change in the current weather pattern. By now you will have noticed that DAWMAC is in 2017 celebrating 50 years of business in Berrigan. Our celebration is a trade day afternoon on Wednesday August 16th right here at DAWMAC Chanter Street.

This will be a wonderful opportunity to not only help DAWMAC celebrate, but receive some great giveaways, witness product demonstrations and much more. Currently we have thirteen suppliers attending on the day – there will be something of interest for everyone. Food, coffee, tea and live music from Ray Macartney.

Moving onto other issues – ‘our Dawmac accounts’. With this newsletter you have January invoices and statements, six months behind. This is not helpful for you our customers or Dawmac as a business. We have cost ourselves many customers who refuse to trade with Dawmac while our accounts are so far behind. We have started to make plans on how to catch-up. You will receive your February 2017 invoices and statements in July also – yes a little catch up.

The Bank? NAB is now closed - never to be open again. We will see a Bendigo bank agency open here in Berrigan over the next six to eight weeks. Once the agency is established then the community can work towards the ultimate goal of opening our own Bendigo Community Bank.

Cheers and good health

John P Lane
