## Newsletter No.165

Hi Everyone,

It has been a long time since our last newsletter - close to seven weeks. A lot has occurred - happy New Year to everyone for 2017. We hope 2017 brings good health and resolution to lingering issues.

Congratulations to Steve Malcom for again putting on a fabulous 'Show & Shine' - don't know how they did it but the weather was perfect and the people, both exhibitors and attendees turned up. Sad to witness the closure of 'The plant shop' which was run on a volunteer basis by the Anglican church. The business had served Berrigan and the surrounding community for the past 30 plus years. A huge thankyou to the many volunteers and patrons that kept the business functioning for 3 decades. I am told that we need to watch that space towards the end of this calendar year for a unique business opening up. With no hardware shop and no plant shop this further opens up the opportunity for someone to commence a new enterprise in Berrigan to service the needs of both Berrigan and the surrounding area.

Keep on your event calendar the Oaklands truck show coming up on the 18th and 19th of March. Oaklands as a whole is to be congratulated on producing two first class events each year, one being the truck show and the other their harvest ball generally held in October each year. These events - the same as events that Finley, Jerilderie and Berrigan stage would not be successful without the support and attendances from the surrounding communities. Other events coming up include The Finley Tractor pull on the 25th of February, The Health and Wellbeing festival held on the 18th and 19th of February and The Billabong Bog Run on the 5th of March.

Cheers and good health

John P Lane  
 Managing Director
