## Newsletter No. 160

Hi to everyone,  
August— The final month of Winter. How will the business end of the season (Spring) unfold? It would be wonderful to be this wet in one month's time— guess we will eventually find out. There will be Summer cropping activities with Hume now above 70% of capacity— a rise of over 50% in 3 months, and Dartmouth also up just over 11% of capacity to 55% full. The indicators are looking good for a productive Summer. As most people would be aware Darian has closed his business, Berrigan Timber and Rural Supplies. This has left a big hole in supplies to Berrigan and the surrounding District. There exists for some enterprising individual or individuals a great opportunity to open up a serving hardware store. A shop that not only sells hardware products but also fits these items. Another positive for a hardware would be a mainstreet position for a customer that are using BOC Gas— note that Thomson's Service Centre has taken on the BOC agency for Berrigan. John and Sonia Thomson have relocated their garage and automotive service centre (Thomson's Service Centre) to the site of Darian's former Berrigan Timber and Rural Supplies out on the Jerilderie Road— close to the football oval. We wish them every success in their new home. Great to see the expansion of Chris and Robyn Marshall's business— Aussie Country Properties— into rental services. We also need to prepare ourselves as a community for the extra work load that will be required at the current 'Berrigan Sports Facility'. Barooga are currently in the process of de-amalgamating the 'Berrigan Sporties' from their group. Keep your eye out for the next Berrigan community meeting. Till next time.

Cheers and good health

## BADS– THE MASKED CANARY

This years BADS production was a huge success with people raving about the quality of talent that took the stage. There were some new cast members working alongside veterans of the Berrigan stage and none of them disappointed.

'The Masked Canary' is set in the Old West town of Tombstone, Arizona. It is here that the mysterious Masked Canary performs at the famous Bird Cage Theatre.

The cast included Louise Glanvill as Amanda Goodsort, the most popular and well-respected person in Tombstone, her 'French' maid Fifi, Leigh Jeffress, and Amanda's daughter Victoria, played by Rachel Head. Marianne Whelan played the pillar of society Flora Courtland.

Damien Taylor played the main villain as Judge Mortimer Harshly, with Simone Fox close behind him as, Peachy Jamm.

It is up to Lieutenant Pete Bogg, Paul Glanvill, and his Indian Scout Lonely Wolf, Camillus

O'Kane to save the day. Along with Ole Timer and Sidekick, roles being played by Matt Hansen and Riley Nolen. Other cast members included Judy Karakai, Kelly O'Kane, Julie Bertoli, Marg Graham and Zeke Carruthers.

There were also many behind the scenes, and as always, Beth Rendell and Helen and Malcolm Dickie were invaluable in their assistance.

The BADS crew encouraged the crowd to get involved by booing their villains and cheering for their heroes, which the crowd did with great enthusiasm, providing another level of atmosphere to the performance.

If you were unlucky enough to miss this years performance then you missed a great show. The crew will be back again next year to wow the audience once again.
