Newsletter No.171

Hello to Everyone,

All roads lead to Berrigan. Mark the date on your to-do calendar, Wednesday 16th August!

A great afternoon is assured. Hot food, jumping castle, live music from Ray Macartney, great products and good company. Fourteen of our major product suppliers are attending on the day. They will be demonstrating, explaining and generally assisting with helping to sort out your questions.

It will be your opportunity to witness first hand new products, obtain great information and generally be better informed.

There will be giveaways and some never to be repeated specials on the day.

Thank you to our sponsors, there will be a raffle with major prizes to be won. Tickets will be sold instore and on the day with proceeds going to Amaroo. Tickets are \$5 each or 3 for \$10.

We will be cutting the cake, to share with everyone, plus unveiling a memorial plaque. Hoping that you will be joining us on this memorable occasion.

Wendy, John, Trent and Paul Lane

Our local representative Scott will be showcasing Honda's great range of outdoor equipment.

Come and say hi to Bill from UniMig and he will be able to assist you with all your welding needs.

Rob can hook you up and keep you connected and up to date with the latest range of UHF's.

Baldwin Filters' local representative Daryl can demonstrate the latest and up and coming filter technology.

Neil will be presenting the practical range of Husqvarna's cordless garden equipment.

Wheel and deal with Glenn from KC Tools.

Get set for Spring! Milo will show you the Spitwater range to help you get ready for Spring Cleaning!

Keep Powering on with Metabo. Chris will be showcasing the latest Metabo technology.

Put the pressure on James to come up with the solution to your water and filtration needs

Mike will blow you away with McMillan's versatile range

Get the good oil and all the latest lubrication developments from Gary at Castrol.

Be a cut above the rest with Wayne as he shows you the great range of products from Pferd.

Joh will brighten your day, but UltraVision will brighten your nights with Australian Made Driving Lights.

Let Adrian show you the latest easy release grease coupler and upgraded cordless power gun.
