Newsletter No.172

Hello to Everyone,

The weather is showing great signs of getting warmer—one day is near perfect, the next cold and freezing, but the days are getting longer and spring is very close. We have certainly been blessed with the rain—we are in (at present) a great area.

Our 50th anniversary celebration trade afternoon was great—everyone appeared to enjoy themselves and we gained a lot of satisfaction from putting the afternoon on for the community and customers to enjoy. Not sure which milestone (or should it be kilometer stone) we will celebrate next or when. The most pleasing aspect of the celebration was the money raised for three organisations.

The raffle raised \$3741 for Amaroo, donation cans \$452.25 for the Berrigan Swimming Pool (to help fund the free entry), and roughly \$40 for Tahlia Thomson's shave (see page over).

With spring coming, activities increase dramatically—everyone ventures into the garden, the barbeque gains new life, races to attend, shows to visit. Finley Show on Father's Day, Sunday 3rd September and Berrigan Show on Sunday October 1st with Henty Field Days slotted in between. Fingers crossed for another major rain event around 1st September, and everyone will continue to smile.

Buckle up, the busy season is about to arrive—enjoy the ride

Cheers and Thank You,

John and Wendy Lane
