Newsletter No.173

Hello to Everyone,

Spring has arrived (officially) with a late burst of winter—and no rain, unfortunately. Most years we become dry during September and October, two key growing months for the winter crops and pasture. The forecast is for a dry period ahead, we can only hope the weather person has this information incorrect.

Now that spring has commenced the range of activities have commenced their 2017 limelight. For example the Finley Show (their 100th) has come and gone. A very good show, the committee should feel very proud of their achievement for the century show.

Henty is close, Berrigan show and daylight savings on the 1st of October plus heaps more. We all feel refreshed with the new season commencing, looking forward to the warmer weather and longer days of daylight. A chance to engage in what Australia is renowned for - Outdoor Activities. Everything from sport to BBQ's to gardening or simply reading a book, maybe doing a spot of fishing or walking the dog.

Here at Dawmac activity has increased. Again we have seen a change in staff with Alicia White moving north to Junee and our employment of Yasmin Kelly to oversee the administration area. With the aid of modern communication Alicia will continue to assist with the running of Dawmac for the immediate future.

It is certainly encouraging to see the development happening in Berrigan currently. Great to hear of Steven Fox's plan to install a car and pet wash facility and the continued develop at the Albury Road Berrigan Fuels / Newsagency site. They tell me a positive attitude delivers positive outcomes.

Till next newsletter.

WELCOME TO THE TEAM

Christopher Hoare

We welcome Chris to the team who is fulfilling the position of Logistics specialist on a full time basis. Chris recently moved to Koonoomoo from Melbourne as he enjoys the relaxed lifestyle of country living and also to be closer to his family. Chris's employment background includes hospitality and electrical wholesaling. Chris has a keen interest in Australian crime—past and present and enjoys studying them in his spare time. Chris

also gains pleasure listening to the blues and rock n roll music and playing his acoustic and electric guitar.

Emma Warenycia

Emma joins us on a 6 month maternity leave cover position, working in administration. Emma is a Qualified Bowen Therapist and is currently studying her Bachelor of Health Science— Naturopathy. Her family relocated from Gippsland to the local area in 2013 and are currently building a new home. In her spare time, you will find Emma relaxing with her family camping and swimming.

Come in and say hello!

FAREWELL ALICIA WHITE

Dawmac Industries, Management and Staff, would like to thank Alicia White for her two years of dedicated service to Dawmac and the Berrigan community. You will be greatly missed, and we wish you and your family all the best with your new adventures.
