Newsletter No.176

Hello to everyone – and welcome to Christmas for 2017! Have we been fortunate and somehow dodged a disaster with the rain? Certainly the 3 days of harvesting prior to Friday the 1st December were the biggest 3 days of effort that I can remember. I would believe 95% of all Barley and Canola has been harvested – now just leaving the wheat to go. The next race will be to complete harvest prior to Christmas arriving on Monday 25th December. Has the rain brought any benefits? My guess is it has eased the burden of irrigating summer crop for a day or two and should add some extra percentage to the areas irrigation allocation? Overall our immediate region was lucky to receive only 50-70mm of rain. Some not-so-far-away places received 150 – 200mm falls. Berrigan Christmas Light Competition is again organised and running for 2017. This competition encourages houses and businesses to 'Light Up' their properties – judging will be Wednesday night 20th December and awards presented at the Dawmac Breakfast on Saturday 23rd December at around 8.30am – please note that this year due to illness the Christmas Carols in Berrigan have been cancelled. Wendy Henderson has again gone to extraordinary lengths and excess with her and David Hawker's residence - well worth a visit to view. Please note that on windy or wet nights Wendy's lights will not be turned on – the risk of water/moisture entering her electrical connections is very real. Remember the Berrigan Lions / Dawmac Community Breakfast Saturday 23rd December in Chanter Street at the old 'Big Store'. Enjoy your Christmas for 2017 and we wish everyone a safe and healthy New Year.

Cheers and good health

John P Lane
