Newsletter No.177

Hello to everyone— and welcome to the final flicker of 2017. Very soon our focus will turn forward to 2018, celebrating the end of another year and welcoming in 2018 with new found hope for a wonderful new year. I wonder what simple tasks we can achieve to improve others lives? Life is best enjoyed when it is simple. Our lives seem so cluttered these days: Radio, T.V, music, phones, computers, emails, Google, smart watches, news papers etc... We hardly have time to smell the roses, breath the air, enjoy the sunrise or sunset. We need to take back control of our lives, to appreciate what we have, not the items or lifestyle of others. As stated previously I believe we all desire to be a better person. Each day we wake up with the purpose of improving on our past attempts. For 2018 let's all do our part to make Berrigan and the surrounding area a better place to live in, to work in, to relax in.

A message from our sponsor— Dawmac— for December 2017 We have now printed 2 months of accounts— July and August 2017. Hopefully this is not too confusing. If you are unsure of how much your account is outstanding please phone or email either Yaz or Tamara in the office to clarify the correct amount.

See you all at the Berrigan Show n Shine on Sunday 14th. Thank you very much for your patronage. We look forward to being of assistance in the future.

May 2018 bring you all contentment in your life and good fortune

Yours in business, John Lane

Cheers and good health
