BERRIGAN SHOW 'n' SHINE

January the 14th was a great sunny day for Show and Shine!

It seemed like almost all of Berrigan came to join in on the wonderful events of the day.

The Farmers market was great support for the local producers. As the winds came along through the day the helicopter soared through the sky showing a great view of our small town in its full glory.

There were over 300 cars and in excess 100 bikes.

Congratulations to all the happy winners of show and shine!
