Newsletter No.179

Hello everyone,
Apologies for no newsletter last month, we were short staffed and under the pump!
We welcome back both Shannon Sandral & Rachael Arnold who have returned from maternity leave. Currently both are working part time which is assisting Yaz & Tamara in administration and general running of Dawmac.
This coming weekend we have the Berrigan & Finley Monster Garage Sale. This promises to be a very busy weekend – I see we have over 30 sites registered in Berrigan alone. Saturday 14th & Sunday 15th April, 8am start.
I see the Swimming Pool Committee is holding a 'Fish Out' on the Sunday of the June long weekend, 10th June. This event is attracting a lot of attention of the favorable nature. You can pre-book your place. Dawmac has tickets. 2 sessions; 11am and 1.30pm starting times! \$10.00 gets you entry as well as your first fish – bag limit is 4 fish, you pay \$7.00 per fish after your first catch – best of all non-participants are free entry – raffle, BBQ, sounds like a great day out!
Anyone know of a qualified motor mechanic that needs a tree change? Woody Motors is very keen to secure the employment of an additional mechanic to help ease the work load on Woody. Contact Woody Motors on 03 5885 2788, David directly on 0427 505 538 or email woody@woodymotors.com.au.
Last but not least – Paul, Wendy and I wish to thank everyone for the cards, phone calls and general expressions of sadness with the passing of Mac. He certainly left a favorable impression on Berrigan in the 15 years that he lived here. 'Til next month, best of health to everyone!

Cheers and good health

THESE BOOTS ARE MADE FOR WALKING

Meet Mark Forster, a Joint Managing Director of Finer Power Transmissions. Finer Power Transmissions is a lead supplier of ours, providing SY Chain and PIX Belts.

Mark Forster along with three of his friends, collectively known as the 'Saturday Support Crew', walked 100km in Oxfam's Trailwalker fundraiser on Friday, March 23rd 2018. They came 3rd out of 519, walking 100km in 14 hours and so far raising \$2770. This is an amazing achievement.

Funds raised will be going to families living in poverty.

To find out more and to follow their progress or to donate, go to www.trailwalker.oxfam.org.au/my/team/29129.

DAWMAC ACCOUNTS

We have noticed that there has been some confusion for customers receiving their statements and deciphering the correct amount due.

If there is a **NEGATIVE (-)** in front of the dollar amount, this is the amount you are in **CREDIT**, and therefore you **DO NOT** need to pay on this.

The total owing is the figure to the right of “Total Due As At—”, and is highlighted in orange below in example. This figure is your total current account balance.

We are trying our best to get the accounts up to date, and hope that this will assist in easing the confusion.

If you have any account queries, please do not hesitate to call on 0358852382, and we will be more than happy to assist you in understanding your statement. *total amount*
