Newsletter No.188

Hi Everyone,

Newsletter No. 187 was printed 6th October 2018—now 10 weeks (70 days) later we finally print our next newsletter and monthly accounts for August 2018. That is a disaster—I have let everyone down, customers and Dawmac.

Rough times are ahead for all of Australia. Not just through the effects of the drought, but as a nation we are not competitive. Rules, regulations, fees and conditions are choking this country.

Lets try to look forward—step out on a positive note for 2018 as we come up to Christmas. The Market Night, Fashion Extravaganza and Carols held back on Friday, 7th of December, was very successful. A big thank you to all the people that attended this event—without your participation these events would not repeat.

We have the Berrigan Lions/Dawmac Community Breakfast on Saturday 22nd December. This is our 24th Breakfast and is held in the 1915 'Big Store' building—it is free and we encourage everyone to attend (7:30am—9am). The BDDA will be announcing the results of the Christmas Lights competition for 2018 at the breakfast around 8:30am.

What will 2019 bring? Guess there will be plenty of predictions and mine—it will make us one year older and it will deliver opportunity, a chance to reset out goals to achieve something special.

And the most important value—friends and family. For Christmas 2018—enjoy and celebrate. Share the day with someone special. For 2019—We hope it brings reward and a sense of achievement. Merry Christmas and a Happy New Year.

Cheers and Good Health—John P Lane (Managing Director)
