Newsletter No.191

Hi,

April has arrived and already the temperature has dropped to a chill. Second month of autumn and we are still waiting on those drought breaking rains to arrive.

On the political front, our state election for NSW has come and passed. Not a lot changed in Sydney – same premier and same government, but a good result for Murray electorate. Congratulations to Helen Dalton – shows perseverance is a great path-way to result. I am perplexed how water was not an issue in rural NSW during the state election.

Now we face a federal election – our electorate seat of Farrer which has been held for the past 18 years by the liberal party through Susan Ley. My personal opinion is Susan has done very little for this electorate, proving herself to be an unsatisfactory representative. It is time for a change – but who do we select? Guess we will need to assess the candidates once nominations have closed. Perhaps a debate we as an electorate need to have? How or which party would best represent the needs of this federal seat of Farrer.

Wonderful effort from Berrigan residents, 38 registering for the whole town garage sale last Saturday 30th March 2019. This event created a lot of interest, excitement and activity. Thank you to Christina from Books in Chanters for organizing the event. Remember our next welcome to Berrigan BBQ up at the community club, Sunday 28th April – 12 noon start.

Cheers and Good Health—John P Lane (Managing Director)
