It is hard to believe that another 100 editions of the Dawmac Newsletter have taken place since I was last invited to contribute. Congratulations to all on reaching the 200 mark.

As stated previously, I feel privileged to have been involved with the Lane family over the past twenty years. John's dedication to the Berrigan community has been constant over that time and his dream of producing a newsletter to be distributed with the monthly accounts is one I had the pleasure of helping come to fruition.

The manner in which John and his team have always gone to great lengths to provide service and supplies, often unusual products, has resulted in a family business the town can be proud of.

I would like to take this opportunity to wish the Lane family all the best for the future and look forward to the next 100 editions of the newsletter.

Australia Day

AT LUKE PARK AND LAKE JERILDERIE
SUNDAY 26 JANUARY 2020

The Jerilderie community will once again enjoy Australia Day with celebrations in Luke Park adjacent to Lake Jerilderie, commencing 6.30pm.

This is a thoroughly enjoyable evening for the entire family and includes musical entertainment, raffle prizes and announcement of the 2020 Australia Day Citizenship Awards. A barbeque, hot chips and soft drinks are available, or alternatively you can bring your own picnic.

A highlight of the evening is the spectacular fireworks display over the picturesque Lake. Gather your friends and family and a couple of chairs or picnic rugs and take part in this annual community celebration of our great Nation.

Thank you to our Australia Day Committee who annually raise funds for the fireworks display. Australia Day Programme available from www.murrumbidgee.nsw.gov.au
