## Newsletter No. 232

Hi to everyone,

How the season can change so quickly, a very wet October – a lot of water – many challenges for everyone. Overall, this area is still in a better position than many others. A quick read of the Federal Budget 2022-23 indicates steady as she goes, no real benefits for rural or regional Australia. This Saturday, 29<sup>th</sup> October 2022 is the Berrigan Gold Cup Race Day – fingers crossed after 2 years of absence that 2022 will see the return of this wonderful event. Forecast is cool but no rain, let's all get dressed up and support this fantastic event.

Trent Lane has completed his first 6 months of chemo treatment, phase 2 for the next 6 months is chemo tablets. Fingers crossed we will see both Trent and his lovely wife Aleks here in Berrigan around mid-November. Trent is currently in the process of finding a physician in Albury that will monitor his treatment reporting back to the facility in Istanbul, Turkey.

The countdown is on for the 2022 Berrigan Christmas Market Night come Carols & Red Cross Fashion Extravaganza on Friday 2<sup>nd</sup> December. With Ray Macartney the main musician being supported by many local vocals, a visit from Santa is nearly guaranteed plus food and other market stalls. This makes for a wonderful community event. 2022 has turned into a very wet end to a promising year – harvest will be a huge challenge for everyone. Keep smiling – life is good.

*Cheers and Good Health—John P Lane (Managing Director)*
