## Newsletter No. 234

Monday 16<sup>th</sup> Jan

Hi to everyone, our first newsletter in almost 7 weeks.

Summer has finally spirt but still no official above 40°C day, it has now been over 12 months since our last day over 40°C. A long and drawn out harvest has come to an end for majority farmers locally, still a few wet acers that are waiting to dry out more before putting machinery onto the paddocks. It would appear harvest has been better than expected. A tough, hard slog, drawn out affair.

2023 has commenced with a rush, 2022 has ended suddenly. Hopefully everyone will get a chance to rest up over the next 3 to 4 weeks, to 'recharge their batteries.'

After 23 years Dawmac has said thankyou and parted ways with Lynette. Lyn would be favorite to everyone for her tireless customer service and her wacky sense of humor. Dawmac along with all our customer will miss Lyn. We wish her all the best for the future, along with the next chapter in her life.

Dawmac does welcome some new staff members to the team; Deanne Cullum in the storeroom, Ashley Harvey in admin and Scott Vesty in sales.

Wendy and I had the pleasure this Christmas of having Trent and his beautiful Bulgarian wife Aleks home in Berrigan for Christmas and New Year's. We hope everyone had an enjoyable Christmas. With many good to come in health for 2023. We welcome 2023 as a year of opportunity, for the Chinese New Year January 22<sup>nd</sup> is the year of the rabbit.

Until next newsletter, live well

*Cheers and Good Health—John P Lane (Managing Director)*

## GILAA

The new Galah Sculpture has been named 'Gilaa' - after the Northern NSW Aboriginal 'Yuwaalaraay' tribe word for Galah.

Did you know? When it first appeared in European Literature in 1862, Galah had many spellings; Galar, Gillar and Gulah before settling on the final spelling around 1900. Upon European settlement, Galahs were indigenous to arid inland Australia.

Gilaa's new home will be on Chanter St, Berrigan, alongside the Physio.

A big thank you to all the businesses and individuals that contributed financially to Gilaa's purchase—A BDDA Project.
